

## VIEW YOUR ENTIRE FINANCIAL LIFE ONLINE, ALL IN ONE PLACE

INVESTOR360® GIVES YOU THE POWER TO SEE AN EXECUTIVE SUMMARY OF YOUR FINANCIAL LIFE, WHENEVER YOU WANT, FROM ANY INTERNET CONNECTION.

---

### SEE EVERYTHING IN A SINGLE PLACE WITH ONE EASY-TO-USE CONNECTION

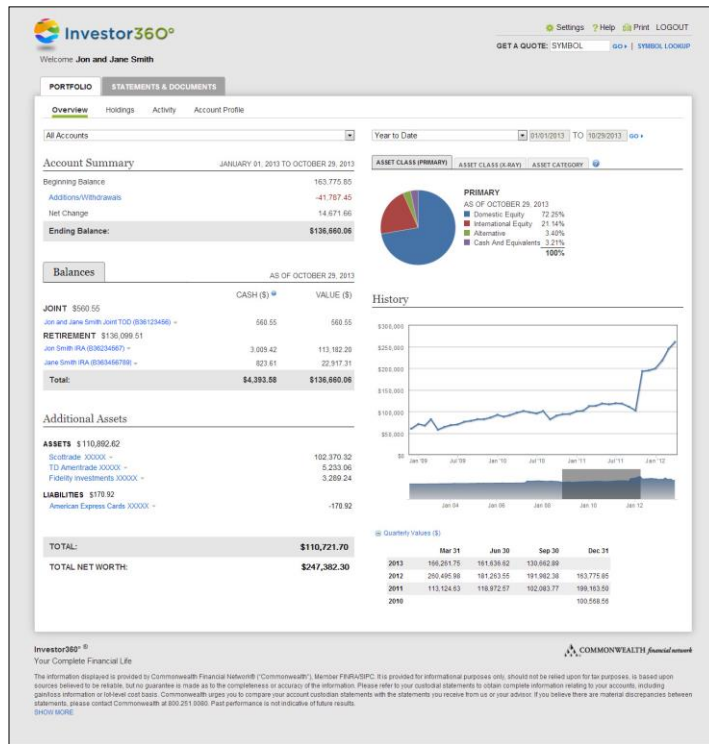

Investor360® lets you view much of the same information we do when managing your accounts. You can:

- **See your account balances** and a detailed position breakdown for each account as of any date range, including accounts not held with us.
- View balances and positions, as well as performance, for all your accounts held with us in **one easy-to-read, consolidated report**.
- **Check on recent transactions** within your accounts.
- **Link to other accounts**, such as your spouse's or children's, held with us. (Restrictions may apply; contact us for details.)
- **Review important facts**, such as your account setup and contact information, listed beneficiaries, and other named individuals.
- View important paperwork our office has shared with you in a **secure document vault**.
- **Eliminate paper statements** and view or download current and historical account statements and eligible account documents online.
- **Get real-time price quotes** and charts for traded securities.
- **Run in-depth reports** to get even more information on your accounts.
- **Import account information to TurboTax** for easier, more efficient tax filing.

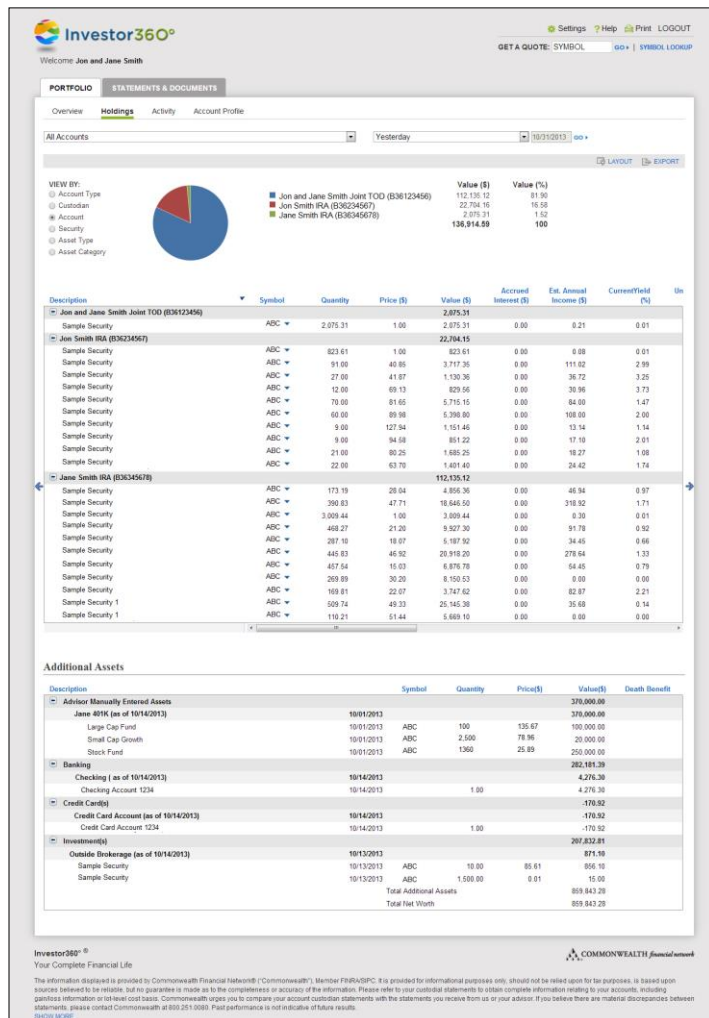

### EASY TO USE, EASY TO UNDERSTAND

Investor360® works with today's most popular Internet browsers, including Internet Explorer, Firefox, Safari (for Macintosh), and Chrome. Just log on and point and click to manage, monitor, and navigate within your accounts however you like:

**Overview** displays your accounts and their current values, as well as asset allocation, performance, and benchmark information, and provides charts of your current net worth and historical values.

**Holdings** shows you all your holdings (even those held elsewhere) at various levels (i.e., by asset and by asset category) with the option to group them either by account or by securities held across all accounts. It also allows you to export data directly to Excel. Choose from up to 20 columns of data that are most important to you.

**Additional Assets** lets you add account information from outside sources and view it all through Investor360°
